## Structure of Abstracts

Abstracts should comprise the following elements, with each beginning a new paragraph:

- **Title:** The abstract title should be no more than 20 words.
- **Authors:** Authors' names should be supplied in the surname-first format with the presenting author underlined.
- **Affiliation:** All affiliations should contain institution, city and country.
- **Background**
- **Methods**
- **Results**
- **Conclusion**
- **References:** Any references included in a reference list must be cited within the abstract text.

## Preferred Style

- Top and bottom margins: 2.54cm
- Left and right margins: 2.54cm
- Tahoma 10pt font
- Fully justified margin
- Single line spacing

Abbreviations should be used only for common terms. For uncommon terms, the abbreviation should be given in brackets after the first full use of the word.

Tables, diagrams and graphs cannot be accepted in the abstract submission. This is due to the limitations of the computer software program.

To ensure consistency in formatting, all abstracts are to be submitted in Microsoft Word format.
