

7th International Orthodontic Congress

Sydney | Australia | 6-9 February 2010

ORDER FORM FOR EXHIBITOR TRACKING

7th International Orthodontic Congress

The congress organisers are offering exhibitor tracking for the 7th International Orthodontic Congress in Sydney, 6 - 9 February 2009.

EXPO!™ RealTimer: Enables an exhibitor to have instant data access and results. Moving freely on your stand, RealTimer users can transmit and access data in real-time via the Internet and with your unique login, allows instant on or off site access to the leads taken. The tracker comes pre-set with standard visitor qualifiers, however these can be customised to suit you for an additional cost.

Our standard qualifiers are: SEND INFORMATION
